

Ball Corporation Board Increases Quarterly Dividend, Shareholders Reelect Board Members

BROOMFIELD, Colo., April 24, 2019 [/PRNewswire/](#) -- [Ball Corporation's](#) (NYSE: BLL) board of directors today increased the company's quarterly cash dividend by 50 percent to 15 cents per share.

"This dividend increase, coupled with our ongoing share repurchase program, allows us to return significant value to our shareholders while also maintaining the flexibility to continue investing in and growing our business," said Scott C. Morrison, Ball's senior vice president and chief financial officer.

The cash dividend of 15 cents per share is payable June 17, 2019, to shareholders of record as of June 3, 2019.

Additionally, at the company's annual meeting today, Ball shareholders reelected Daniel J. Heinrich, Georgia R. Nelson and Cynthia A. Niekamp to the board to serve three-year terms expiring in 2022. The board of directors also appointed Stuart A. Taylor II as lead independent director. Robert W. Alspaugh, who has served as a director since 2008, and Theodore M. Solso, who has served as a director since 2003 and as lead independent director since 2013, both retired from the board today.

Ball will announce its first quarter 2019 earnings on Thursday, May 2, 2019. Conference call details are below.

Ball Corporation supplies innovative, sustainable packaging solutions for beverage, personal care and household products customers, as well as aerospace and other technologies and services primarily for the U.S. government. Forward-Looking Statements

This release contains "forward-looking" statements concerning future events and financial performance. Words such as "expects," "anticipates," "estimates," "believes," "targets," "likely," "positions" and similar expressions typically identify forward-looking statements, which are generally any statements other than statements of historical fact. Such statements are based on current expectations or views of the future and are subject to risks and uncertainties, which could cause actual results or events to differ materially from those expressed or implied. You should therefore not place undue reliance upon any forward-looking statements and any such statements should be read in conjunction with, and, qualified in their entirety by, the cautionary statements referenced below. The company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Key factors, risks and uncertainties that could cause actual outcomes and results to be different are summarized in filings with the Securities and Exchange Commission, including Exhibit 99 in our Form 10-K, which are available on our website and at www.sec.gov. Additional factors that might affect: a) our packaging segments include product demand fluctuations; availability/cost of raw materials and logistics; competitive packaging, pricing and substitution; changes in climate and weather; footprint adjustments and other manufacturing changes; failure to achieve synergies, productivity improvements or cost reductions; mandatory deposit or other restrictive packaging laws; customer and supplier consolidation, power and supply chain influence; changes in major customer or supplier contracts or a loss of a major customer or supplier; political instability and sanctions; currency controls; changes in foreign exchange or tax rates, including due to the effects of the 2017 U.S. Tax Cuts and Jobs Act; and tariffs, trade actions, or other governmental actions in any country affecting goods produced by us or in our supply chain, including imported raw materials, such as pursuant to section 232 of the U.S. Trade Expansion Act of 1962; b) our aerospace segment include funding, authorization, availability and returns of government and

commercial contracts; and delays, extensions and technical uncertainties affecting segment contracts; c) the company as a whole include those listed plus: changes in senior management; regulatory action or issues including tax, environmental, health and workplace safety, including U.S. FDA and other actions or public concerns affecting products filled in our containers, or chemicals or substances used in raw materials or in the manufacturing process; technological developments and innovations; litigation; strikes; labor cost changes; rates of return on assets of the company's defined benefit retirement plans; pension changes; uncertainties surrounding geopolitical events and governmental policies both in the U.S. and in other countries, including the U.S. government elections, budget, sequestration and debt limit; reduced cash flow; interest rates affecting our debt; and successful or unsuccessful joint ventures, acquisitions and divestitures, including with respect to the Rexam PLC acquisition and its integration, or the associated divestiture; the effect of the acquisition or the divestiture on our business relationships, operating results and business generally.
